2.

After filling the necessary fields of the banking order you will need to authenticate the intention.

Fill in your permanent [eBanking] password, into the "Enter password" field in the "Review & Sign" window.

IMPORTANT: This is your permanent [eBanking] password, and not the SMS code that you received to log into the [eBanking] (please see above the login process). If you fill in the SMS code you received to log into the [eBanking], the authentication of the banking order will fail.
