The fees for transfers in the name of the customer, initiated by the customer against the bank account included in this list of conditions, but submitted via a payment service provider (third party service provider (TPP)) that provides payment initiation services, correspond to the transfer fees for the given account package via mBanking.

* The Accounting item fee is charged for each transaction debited to the bank account in addition to the fee for the given transaction. The normal fee is 0.114% of the transaction amount and a maximum of HUF 6,870. The promotion is valid until 31.03.2024.

¹ The standard closing fee for the account package is HUF 1,335/month/bank account. The closing fee for the account package for the given month is always charged to the customer's bank account. If in the relevant month at least the amount of the current net minimum wage (currently: HUF 154,270) is credited to the account via transfer (which does not include transfers between own accounts), the full amount of the foreclosure fee will be credited to the bank account. If the crediting condition above is not met, the closing fee will not be credited. With respect to the account package, the Bank does not check the fulfillment of the above credit conditions in the month of opening the account and in the following month, and does not charge the monthly closing fee for the account in these two months.

² The Bank does not charge a commission for the Customer's transfer orders between his/her own accounts with the Bank - in the absence of different provisions for individual bank accounts/savings accounts.

³ A transfer is also the fulfillment/partial fulfillment of the official transfer, the transfer order, and the collection order (collection based on a letter of authorization, collection by bill of exchange), after which the Bank charges a fee depending on the way the order was submitted (electronic or paper-based order submitted using a non-original form) up.

⁴ In this List of Conditions, orders submitted after the cut-off time**, which the Bank considers to be the same day, are not interpreted as transfer orders with an original form; as well as orders whose costs are borne by the beneficiary.

**Cut-off time: deadline for accepting orders. The time until which the Bank accepts the order as that day.

⁵ It will be charged in the case of incorrectly entered Bank ID-IBAN account number-SWIFT/BIC code.

⁶ In the case of the first main card, the Bank will credit the first annual membership fee within 30 calendar days after its debit. In the case of requesting an additional main card, the issuing fee for the additional main cards is HUF 6,660, and the annual membership fee is HUF 8,840.

⁸ The standard fee is HUF 171 per month, which the Bank does not charge if the customer successfully logs in to the UniCredit mBanking service at least once in a given calendar month.

⁹ The bank is providing the free of charge cash withdrawal and Cash-back according to 2009. year LXXXV. law 36/A §, and according to 53/2013 (XI.29.) NGM decree. The statement about free of charge cash withdrawal and Cash-back can be submitted - to only one payment account - by the owner of the account who meets the legal requirements. The statement can be submitted in Bank Branches or via SpectraNet Internet Banking or eBanking if the Client has got access to the service. If the Client is providing the debit card number on the statement for setting the free of charge cash withdrawal and Cash-back the bank will provide it for the account where the given debit card is set primarily. The Client is entitled to the free of charge cash withdrawal and Cash-back in the given month if a valid statement is submitted until the 20th of preceding month. If a statement is submitted after the 20th of a given month, the free of charge cash withdrawal and Cash-back is provided to the Client from the second month following. The Client is entitled for free of charge cash withdrawal primarily via ATM, while the Cash-back is only available from beneficiaries who provide the service in Hungary (Merchants) as part of the POS payment transaction. The Bank applies free of charge transactions in order to their actual date. If the total amount of transactions exceeds HUF 150 000 within the monthly first two cash withdrawal, or HUF 40 000 within the monthly first two Cash-back, then the % and maximum element of the normal transaction fee will be applied on the above part. For Cash-back service, the provisions of the Bank Card Terms and Conditions and the Debit Bankcard List of Conditions are always applicable. The Cash-back is linked to POS purchases. If the Client uses the free of charge cash withdrawal and Cash-back fraudulently or submits invalid data on the statement, the Bank – according to law – is entitled to charge the normal fees after free of charge cash withdrawals or Cash-back retrospectively in one amount on the Clients account.
